Telephone charges

We do not cover the cost of making or receiving telephone calls. **Our** calls may be monitored and/or recorded.

In the UK

Call charges may apply. Please check with **your** telephone provider. 03 numbers are charged at national call rates and usually included in inclusive minute plans. Text messages will be charged at **your** standard network rate.

In Europe

Roaming charges may apply when making or receiving calls, please check with **your** mobile phone provider for more information. It may not always be possible for **us** to return a call to a mobile phone.

If your vehicle breaks down, please provide us with

1. The **vehicle's** make, model and registration number
2. The exact location of the **vehicle** – the road **you** are on or the nearest road junction
3. The number of the phone **you** are using
4. The cause of the **breakdown**, if **you** know it
5. A credit card in **your** name if **you** need additional services or a hire car

Some garages in **Europe** will require **your** passport and passport number before they begin any repairs.

If **you** fail to contact **us** within 24 hours of becoming aware of the **breakdown we** may refuse to provide assistance in relation to that **breakdown**.

Remember

Please let **us** know if **you** have called **us** but manage to get going before **we** arrive.

We will only provide assistance if **we** arranged help, so please do not go directly to a garage or other recovery service, or otherwise approve action taken by **you** or on **your** behalf.

Breakdown on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If **your vehicle breaks down** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

 - b **you** have not followed **our** advice after a temporary repair.

General conditions

The following conditions apply to all sections. If **you** do not comply **we** can refuse service.

1. **You** must request services directly from **us**, as **we** will only provide services if **we** make arrangements to help **you**.
2. Where the **breakdown** is caused by a component failure, this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and **we** will not cover this.
3. **We** will not provide service where the **vehicle** is already at a garage or other place of repair.
4. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide service.
5. A **driver** must be with the **vehicle** when **we** attend.
6. **You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **vehicle**. **We** will not be responsible for any loss of or damage to them.
7. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
8. **We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in the **vehicle** at the driver's own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
9. The **vehicle** must not carry more **passengers** than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat if required.
10. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains the driver's responsibility.
11. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered under DS Assistance. For example, **we** will not pay for any loss of earnings or missed appointments.
12. **We** do not guarantee that recovery to any garage, including a DS franchised dealer, will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.

13. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.
14. The cost of the following is not covered:
 - a. **specialist resource**;
 - b. tolls, ferries or congestion or low emission zone charges for **your vehicle** and **our** vehicle;
 - c. any damage to glass even if the damage means the **vehicle** cannot be legally or safely driven. **We** will arrange transport to a local garage so **you** can arrange to get the **vehicle** fixed but **you** will have to pay for this; or
 - d. recovery by someone other than **us**. If the emergency services, local authority or any government agency are handling the **breakdown**, **we** will only attend and provide recovery once instructed to do so by them.
15. In handling any request for service there may be more than one option available to **you**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with **you**, and act reasonably at all times.
16. DS Assistance does not cover:
 - a. routine servicing, maintenance or assembly of **your vehicle**;
 - b. **caravans** or **trailers**;
 - c. **breakdowns** that occur during activities or events that are not subject to the normal rules of the road, for example, **breakdowns** on a track day. **We** will not attend **breakdowns** on race tracks or where **you** have been immediately recovered from a race track;
 - d. **breakdowns** that occur, or recovery of **vehicles** to a destination, that is off the public highway to which **you** or **we** have no legal access;
 - e. **your vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - f. **vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **we** will provide service;
 - g. any request for service that is or may be affected by the influence of alcohol or drugs;
 - h. any **breakdown** that is caused by or as a result of vehicle theft or fire; or
 - i. any request for service where the **breakdown** was not first reported to **us** under DS Assistance.
17. If **you** are asked to review and approve a document, including an electronic form, recording the condition of **your vehicle**, it is **your** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.
18. Where **we** arrange a hire car, taxi, hotel or similar benefit, **we** will always try to find a suitable option that is available at the time, however:
 - a. **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b. for hire cars, whilst **we** use reputable companies, **we** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
